Do you like sticky tape? We do! We use it to play and dance.

> Welcome to THE STICKY DANCE!!!

2−ND HAND DAN©

I am Keir.

I am here to help you at The Sticky Dance

I am Josh.

I play the music and make the lights change

You can dance too, or you can watch, listen or play with the tape (don't get sticky stuck!)

Hello!

We are the 3 dancers in the show. Our names are Chloe, Paolo and Andrei.

We will dance around the space.

> Twirl, Spin, jump, slooooowwww.

When its time for you to join The Sticky Dance, take off your shoes and put in a sticky tape square. Shoes down. Then in you go!

There are cushions inside. You can sit on one if you like.

When you come in, look at the dens. They have lights in them - can you see them change colours?

You can sit in the den. Or lie down.

Can you see the square boxes? They are called Speakers.

What can you feel?

2-ND HAND DAN©

A dancer in a string costume – turning, jumping, shaking.

Making sticky tape patterns on the floor. What can you create?

2-ND Iand Danc

Gliding and leaping with the dancers.

A time for rest. Relax and listen to the space-like music as the lights get darker.

AND

DANE

Can you stick the sticky tape around the dens? Or stretch the sticky tape loooong!

Can you move under, over or around the tape?

A time for rest. Relax and listen to the space-like music as the lights get darker.

Three shiny dancers with lights sparkle around the space. Look how they glisten.

2-ND

Dancing to the happy music. Can you copy the dancer's moves?

Peeling up the tape into sticky tape balls. Can you peel and roll too?

The tape collector moves slowly through the space. Can you make balls of tape for her? The lights get darker and the music becomes a lullaby. Everyone can rest before we 2-ND begin again!

Information for Grown Ups

The Sticky Dance is a **2-hour durational** performance.

Audiences come in approximately every 15 minutes.

Your ticket says what time you are invited to enter the space. The time you come in will also determine which scene is happening when you enter. All the scenes in the show are repeated again.

You can stay as long as you like, we suggest about 45 minutes. If there is space, you can come back anytime you like.

Before you enter the space you are invited to take off your shoes and put them in a taped box. If all the taped boxes are full you may have to wait to go inside.

Please leave large bags and buggies outside.

The performance is a relaxed space. We have some ear defenders available if you would like to use them.
